

Notice of Working Spouse Provisions

Please be advised that in order to control the rapidly rising costs of insurance for Greene County, Indiana, employees and share the costs with other insurance plans, effective March 1, 2013, no spouse of a County employee is eligible for primary medical insurance coverage if such spouse has insurance available through the spouse's employment.

If a current County Employee fails to sign and return the working spouse disclosure form on or before October 31, 2015, the Plan Administrator will be notified that the spouse is not eligible for coverage.

As a condition of employment, new County employees must sign and return the working spouse disclosure form within Thirty (30) days following commencement of employment with Greene County.
